

# welcome

## ABOUT ME

I craft each image with extreme care and am not afraid to pose you,

so that you look the best you have ever looked...

feminine portraiture and headshots are my speciality

...so come visit me at my Croydon Hills Studio !! Can't wait to see you here ...

PS... I use the state of the art Canon 5DMK4 and the best canon lenses

## PHOTOSHOOT

### WORKING WITH YOU!

The more people I photograph, the more I've come to realize something: a great portrait is a collaboration between photographer and you. When we are both working together the result is far more than what comes from direction alone.

So I'll ask plenty of questions as to your "Must have" photos. In addition to the obvious questions of Location, Clothing, Themes and about the Shoot itself...

Above all Enjoy the experience ☺
